Instructions for use:

Each ration of food should be adapted to the animal's condition: stage of development, age, sporting or non-sporting activity, environmental conditions (heat, cold, etc.), physiological changes, etc. Dogs with little activity need less energy intake, so their diet should be regulated proportionately to avoid the risk of obesity. Whether you feed your dog once or twice a day, stick to the same schedule.

If this food is new to him, mix it gradually with the old food until it replaces it. Always keep a bowl of clean, fresh water available for your dog.

Stability and storage:

Close the lid tightly after each use and store HOLY PREMIUM in a dry place, away from light and sources of heat. Best before / Batch number: see packaging.
