Instructions for use:

Each food portion should be adapted to the animal's individual needs: stage of development, age, activity level (whether or not it's very active), environmental conditions (heat, cold, etc.), physiological changes, etc. Cats with low activity levels require less energy, so their food intake should be adjusted accordingly to prevent obesity. Whether you feed your cat once or twice a day, maintain the same feeding schedule.

If this food is new to your cat, gradually mix it with their previous food until it completely replaces it. Always provide your cat with a bowl of clean, fresh water.

Stability and storage:

Close the lid tightly after each use and store HOLY PREMIUM in a dry place, away from light and sources of heat. Best before / Batch number: see packaging.
