INSTRUCTIONS FOR USE:

Cats with low activity levels need less energy, so their food intake should be adjusted accordingly to prevent obesity. Whether you feed your cat two or three times a day, maintain the same feedingschedule. Serve at room temperature. Always provide your cat with a bowl of clean, freshwater that is frequently replenished. If this food is new to your cat, gradually mix it with their previous food.

STABILITY AND STORAGE:

Close tightly after each use and store ANY CAT'S food in a cool, dry place.
