Vitamins, provitamins, and substances with a similar effect (*International Unit):

Vitamin A 12,500 IU*, Vitamin D₃ 450 IU*, Vitamin E 40 mg

TECHNOLOGICAL ADDITIVES: antioxidants

INSTRUCTIONS FOR USE:

Dogs with low activity levels need less energy, so it's important to adjust their food intake accordingly to prevent obesity. Whether you feed your dog two or three times a day, maintain the same feeding schedule. Serve at room temperature. Always provide your pet with a bowl of clean, fresh water that is frequently replenished. If this food is new to your dog, gradually mix it with their previous food.

STABILITY AND STORAGE:

Close tightly after each use and store ANY DOG'S food in a cool, dry place.

Best before / Batch number : see packaging

ORIGINE : UE

ANYDOG'S recommends the following daily amounts to give your pet the right amount of food.

Adult dog weight	Low activity	Moderate activity
